Notes & Details

Provide a tidy area for employees to store their personal belongings with this Regency Space Solutions beige 12" x 18" x 78" single, 1 tier locker. Boasting a tough steel construction with a beige finish, this locker is durable enough to withstand heavy, extended use. It includes a single, individual compartment, which gives your employees a safe space to place their jackets and other personal items while on the clock. It also features a perforated door, which promotes proper air circulation and prevents build-up of mold and mildew.

This locker has a space-efficient vertical design that allows you to maximize floor space for increased storage. This makes it perfect for areas with limited space, such as the back of a restaurant, community pool house, warehouse, or retail venue. This unit requires assembly.
