## Plan View

## Notes & Details

Perfect for pizza parlors, schools, and bakeries, this Regency pizza dough box rack is an invaluable, space-saving storage and transport system. Accommodating up to 13 full size dough boxes (sold separately), the rack features an aluminum frame both durable and resistant to rust. Each of the pan slides are spaced 4" apart, allowing ample room for inserting and removing loaded or unloaded boxes.

Moving the boxes is ultra-fast and easy too, thanks to the rack's mobile design. Its 4 casters are bolted to the frame for secure attachment, allowing you to roll the unit around the prep area for efficient transport. To provide you with the best possible savings on shipping costs, this unit ships unassembled.
