Rack Style	Bun Pan
Shelf / Ledge Spacing	3 Inches
Style	Open
Type	Half Height Sheet Pan Racks

Notes & Details

This Regency half height aluminum end-load bun pan rack is the perfect way to transport up to 10 full size sheet pans or 20 half size sheet pans throughout your commercial kitchen or bustling bakery. With 3" of space between each shelf, the rack provides ample room to store items such as doughnuts, pastries, cookies, and other tasty treats!

Plus, because it's built with an aluminum frame, it's both strong and rust-resistant. As an added bonus, the sides are welded to maximize structural strength for long-lasting use. A set of 5" casters mounted to the bottom provides mobility so that the rack is easy to move, whether empty or fully loaded. Since 2 of the casters are equipped with brakes, you can even secure the unit in place for added stability during the loading or unloading process.

To enable immediate use upon delivery, this rack ships fully assembled.
