Notes & Details

This Regency bun / sheet pan rack is the perfect way to transport up to 7 half size sheet pans throughout your commercial kitchen or bustling bakery. With 3" of space between each shelf, the rack provides ample room to store items such as doughnuts, pastries, cookies, and other tasty treats! Its undercounter design allows it to slide easily under counters for storage. Plus, because it's built with an aluminum frame, it's both strong and rust-resistant. As an added bonus, the sides are welded to maximize structural strength for long-lasting use.

A set of 5" swivel casters mounted to the bottom provides mobility so that the rack is easy to move, whether empty or fully loaded. For added convenience, this item's welded construction allows it to be used right out of the box! This saves significant time and labor during setup. Users can simply unpack it, place it in its desired location, and proceed to put it to use.
