Notes & Details

This 48" wall mounted pot rack from Regency blends the convenience and practicality of a wall shelf and a pot rack for a versatile storage solution for your commercial kitchen! The 12" deep top shelf is a perfect place for boxes of gloves, kitchen timers, spices and other commonly used items, while the pot rack bar comes with 18 hooks to keep your most commonly used pots and pans close at hand.

Both the shelf and brackets are made of 18 gauge type 430 stainless steel for durability and corrosion resistance. The 18 hooks along the bottom of the shelf are galvanized to protect against rust and can support up to 255 lb. The sturdy mounting brackets are pre-drilled for easy installation (hardware sold separately).
