Notes & Details

Keeping your wide selection of pots and pans accessible in your busy kitchen is easy with the Regency 18" x 48" stainless steel wall-mounted pot rack. This rack has 18 galvanized hooks, so you can keep all your most used pieces of cookware on hand. It also has a built-in shelf to hold pot holders, lids, and necessary kitchen supplies.

This shelf is made of 18 gauge type 430 stainless steel for durability and corrosion resistance. Thanks to its heavy-duty construction and pre-drilled mounting brackets, you can store up to 255 lb. of kitchen supplies safely (installation hardware sold separately). For easy adjustment, this shelf has 18 removable hooks that can hold aprons, pot holders, kitchen spoons, or pots and pans. These hooks are galvanized to protect against rust.
