

Regency Top and Bottom Bracket Kit for Traffic Doors

#600PTDBRKTKT

Technical Data

Type

Brackets

Features

- Includes top and lower brackets, and mounting hardware
- Direct replacement for original part
- One kit required for single Regency traffic doors, two kits for double doors
- Fits all Regency traffic doors

Notes & Details

This kit will let you easily replace a top bracket, a bottom bracket, and all necessary mounting hardware on all Regency traffic doors! If you see that the brackets on your door are bent or that they aren't allowing the door to open and close properly, it's important to fix the issue promptly in order to avoid further damage to the door or your facility. The kit includes everything needed to replace the brackets and hardware on a single door. Double doors will require 2 of this kit.

Kit Includes:

- (1) top hinge assembly
- (2) covers for top hinge assembly
- (1) lower hinge assembly
- (5) hex bolts with nuts
- (4) cross-head screws
- (4) cross-head nuts
- (6) large cross-head bolts
- (2) medium cross-head bolts
- (2) expansion bolts
