- Protects outer wall corners from carts and racks
- Rust- and corrosion-resistant
- Includes pre-drilled holes for mounting (screws sold separately)
- Ideal for high-traffic locations

Notes & Details

Protect your walls with this Regency corner guard! This corner guard is ideal for high-traffic locations such as foodservice establishments, healthcare facilities, and hotels. It protects the outer corners of your walls from carts and racks, helping to prevent costly, unsightly damage.

This corner guard is made of durable 18-gauge, type 304 stainless steel, which is both rust- and corrosion-resistant for long-term. It has pre-drilled 1/4" diameter holes to secure it to the wall (screws sold separately). Ensure your walls are protected from potential impact with this reliable corner guard.
