## Notes & Details

This 24" x 72" black epoxy coated wire shelf is ideal for use in a wide array of applications. Its sleek black color and simple, classic design make it a great choice for use in retail environments and dry storage, while the epoxy coating is great for use in all environments including refrigerators, freezers, and ware washing areas. When combined with additional shelves, posts, and accessories (sold separately) this Regency shelf is capable of holding up to an impressive 450 lb. of evenly distributed weight.

This shelf is constructed of durable zinc plated metal with a black epoxy coating for maximum longevity. Plus, its high-quality design is commercial grade and delivers the reliable performance every business expects and needs.
