## Notes & Details

Use this 54" stainless steel mobile shelving post to help outfit your facility with convenient storage. When combined with stainless steel Regency Spec Line shelves and accessories (sold separately), the post enables you to create customized storage space to best meet your facility's needs.

Because it's made of high-quality stainless steel, this post resists corrosion, making it perfect to use in either dry or wet environments. Accepts stem casters for optimal mobility (sold separately), it is especially convenient for short-term and evolving storage applications. Strong and sleek, this line of Regency Spec Line shelving is the perfect choice for long-lasting storage solutions.
