Notes & Details

This Regency Spec Line stainless steel three bowl underbar sink is the perfect addition to your establishment! This underbar sink boasts three separate bowls to help you keep up with the demand for glassware at your bar. Each bowl is 10" deep, so you can wash even your tallest beer glasses and pitchers. Plus, this sink has holes punched on 4" centers to accept the included 6" deck-mount faucet with swing nozzle. It is constructed from type 304 stainless steel for corrosion resistance and optimal durability. Plus, this sink has a tall 7" backsplash, which helps prevent splashes and overflow.

This sink offers a convenient space to wash, rinse, and sanitize dirty glassware from behind your bar. It sits on 4 stainless steel legs to provide your sink with a solid, reliable foundation to rest upon. Additionally, this sink features U-shaped cross bracing for maximum stability. It has 1 1/2" IPS drainage connections to safely drain waste water during use. It also comes with an 8" overflow pipe to help prevent flooding.
