Notes & Details

This Regency Spec Line 142" 14 gauge stainless steel three compartment commercial sink with 2 drainboards is the perfect addition to your establishment! This sink is ideal for setting up a washing, rinsing, and sanitizing station. It's constructed from superior quality, 14 gauge, type 304 stainless steel, making it more corrosion-resistant and durable than other sinks made from thinner, 16 gauge material. It features a stainless steel front apron and (2) 24" drainboards, so you can easily wash and dry dishes and utensils in one convenient location. Plus, this sink has rolled edges and a tall, 11" backsplash, which helps prevent splashes and overflow.

To ensure proper drainage, this sink comes with (3) 3 1/2" basket drains with strainers. These drains catch food debris, preventing the drains from clogging. Additionally, this sink sits on (4) stainless steel legs, which feature adjustable stainless steel bullet feet to accommodate uneven floors. The stainless steel legs provide your sink with a solid, reliable foundation to rest upon, so you always have somewhere to wash, rinse, and sanitize dirty dishes. Additionally, this sink features front-to-back and left-to-right cross bracing for maximum stability.
