Notes & Details

Create easy access to your most popular liquors with this Regency Spec Line stainless steel double tier speed rail! Use this rail in your front-of-house bar to keep bottles organized and easily accessible during happy hour. This speed rail can hold up to (18) 1 liter bottles at a time. Plus, with superior sound-deadened construction, removing and adding bottles is quieter than ever!

The 20 gauge stainless steel front and bottom with 14 gauge stainless steel sides add durability, in addition to a polished, professional look. Additionally, it is easy to clean when not in use. A simple keyhole installation design makes it a breeze to set this speed rail up for use (mounting hardware included). A double tier design helps outfit your operation with unmistakable practicality and style that will serve as an essential part of any drink-serving application.
