Notes & Details

Make the most of your work space with this Regency Spec Line 24" x 24" 14 gauge stainless steel corner work table. The top of this work table is constructed from 14 gauge, type 304 stainless steel, while the undershell is constructed from 18 gauge, type 430 stainless steel. The durable stainless steel construction ensures that this table can withstand the rigors of daily use in a commercial kitchen. For your convenience, this table fits into corners to maximize space in your crowded kitchen.

This table features stainless steel legs and adjustable stainless steel feet. It has a spacious undershell for convenient storage of plates, utensils, and bowls. Plus, it has a 4" backsplash. Perfect for food prep, this corner work table is an easy addition to your crowded kitchen!
