Notes & Details

Make the most of your work space with this Regency Spec Line 32" x 32" 14-gauge stainless steel corner work table. The top of this work table is constructed from 14-gauge, type 304 stainless steel, while the undershell is constructed from 18-gauge, type 430 stainless steel. The durable stainless steel construction ensures that this table can withstand the rigors of daily use in a commercial kitchen. For your convenience, this table fits into corners to maximize space in your crowded kitchen.

This table features stainless steel legs and adjustable stainless steel feet. It has a spacious undershell for convenient storage of plates, utensils, and bowls. Plus, it has a 4" backsplash. Perfect for food prep, this corner work table is an easy addition to your crowded kitchen!
