Notes & Details

This L-shape dishtable from Regency Tables & Sinks brings an incredible combination of performance, quality, and convenience that is sure to boost the efficiency in your kitchen! This 6' soiled dishtable is made of 16-gauge type 304 stainless steel, making it a durable, corrosion-resistant package that is sure to last over the long haul. It boasts plenty of space to accommodate a dish rack going into your dishwasher, providing a convenient resting place until they're ready to load.

This soiled dishtable features a spacious 20 1/4" x 20 1/4" x 6" pre-rinse bowl to help users ensure dishes are rinsed thoroughly before washing. The holes punched on 8" centers allow for easy installation of a pre-rinse faucet (sold separately). This landing dishtable has an 3" angled lip to help users easily deposit dirty bus tubs. The surrounding 3" lip helps contain dishes and spills to prevent messes.

Perfect for use in restaurant and hotel dishwashing stations, this unit has a lip that attaches to your dishwasher (sold separately) for a convenient setup that makes it easier to clean your dinnerware and cookware. The table features a 10 3/4" high backsplash to protect your walls and floors, along with a 2" return for drainage. Plus, its 1 5/8" diameter stainless steel legs and durable bullet feet protect your floors from scratches and keep your table stable. Ensure fast, efficient dish room operations with this comprehensive dishtable package!
