Notes & Details

Equip your kitchen, prep area, or bar with this Regency 10" x 14" x 10" 20 gauge stainless steel one compartment drop-in sink. This sink features a drop-in design that fits down through the top of your counter. It has an innovative self rim design along the top to provide a professional appearance once it's installed in any countertop. Plus, it comes with side splashes so that you don't need to worry about droplets of dirty water contaminating the surrounding countertop.

Designed for durability, corrosion-resistance, and sanitation, this sink's bowl is made of seamless deep drawn 20 gauge, type 304 stainless steel. Plus, the 3 1/2" drain opening is ready for installation so you can get your new sink up and running. This sink includes two holes for a deck mount faucet with 4" centers (sold separately).
