Notes & Details

Equip your kitchen, prep area, or bar with this Regency 20" x 16" x 12" 20 gauge stainless steel one compartment drop-in sink with a gooseneck faucet. This sink features a drop-in design that fits down through the top of your counter. It has an innovative self rim design along the top to provide a professional appearance once it's installed in any countertop.

Designed for durability, corrosion-resistance, and sanitation this sink's bowl is made of seamless deep drawn 20 gauge, type 304 stainless steel. Plus, the 3 1/2" drain with a 1 1/2" IPS drain connection is ready for installation.

This Regency sink comes with a faucet so you don't need to worry about purchasing a compatible faucet separately. The 3 1/2" high, 4" spread gooseneck faucet with 4" centers and a 2 GPM flow rate means you'll be able immediately start using your new sink.
