Notes & Details

Equip your kitchen, prep area, or bar with this Regency 14" x 16" x 10" 20 gauge stainless steel two compartment drop-in sink with an 8" swing faucet. This sink features a drop-in design that fits down through the top of your counter. It has an innovative self rim design along the top to provide a professional appearance once it's installed in any countertop.

Designed for durability, corrosion-resistance, and sanitation this sink's bowls are made of seamless deep drawn 20 gauge, type 304 stainless steel. Plus, the 3 1/2" drains with a 1 1/2" IPS drain connections are ready for installation.

This Regency sink comes with a faucet so you don't need to worry about purchasing a compatible faucet separately. The 8" swing faucet with 4" centers and a 1.8 GPM flow rate means you'll be able to get your sink up and running right away.

This unit comes with the required installation hardware.
