Notes & Details

Enhance safety and sanitation while improving the quality of your ice by adding this Regency sliding lid to your 18" x 36" drop-in ice bin! Many municipalities require that drop-in ice bins have a cover, and this Regency lid will help you stay in compliance. Made of 20-gauge type 304 stainless steel, this lid offers exceptional durability and corrosion-resistance as well as better cold retention. Thanks to its front to back sliding design, this lid is easy to open and close, so it won't slow you down while you're making drinks in your busy bar or restaurant.
