Notes & Details

This Regency 30" x 48" stainless steel equipment stand is built to stand up to daily use in even the busiest commercial settings! It features a durable 16-gauge type 304 stainless steel top shelf that can support up to 900 lb. of evenly distributed weight, while the galvanized steel undershelf can hold 700 lb.

This stand is ideal for heavy countertop equipment like slushy machines, beverage dispensers, soft serve ice cream machines, and more! A 2" edging comes standard to help contain equipment and contents for added safety. This unit stands on sturdy galvanized steel legs with adjustable plastic bullet feet that allow you to level the stand on uneven surfaces.
