## Notes & Details

This Regency 30" x 96" stainless steel equipment stand is built to hold up to daily use in even the busiest commercial settings! It features a durable 16-gauge type 304 stainless steel top that can support up to 1200 lb. of evenly distributed weight, while the 18-gauge type 430 stainless steel undershelf can hold 930 lb.

This stand is ideal for heavy countertop equipment like slushy machines, beverage dispensers, soft serve ice cream machines, and more! A 2" edging comes standard to help contain equipment and contents for added safety. This unit stands on six sturdy stainless steel legs and adjustable bullet feet that allow you to level the stand on uneven surfaces.
