Notes & Details

Maintain a sanitary environment in your restaurant, stadium, or manufacturing facility by providing a convenient way for people to quickly wash their hands with this Regency single-hole hand sink with a wall-mounted faucet! Made of rugged 16 gauge type 304 stainless steel, this sink is rust- and corrosion-resistant. It's extremely durable and built for everyday commercial use.

This free-standing sink station includes a knee-operated faucet that easily mounts onto the sink's single hole. The chrome-plated brass faucet comes with a single pedal knee valve and hardware that allow for hands-free use. The knee valve features a 3/8"-18 NPT inlet and outlet. The unit's 6" long x 9 13/16" tall swivel gooseneck spout provides the right amount of clearance for handwashing. It delivers a flow rate of 2 GPM and a maximum temperature of 140 degrees Fahrenheit. The unit is also equipped with a spacious 8" deep sink bowl for handwashing applications.

The unit's legs are made of stainless steel, and they feature bullet feet that offer 1" of adjustability for convenience. A 3 1/2" high backsplash protects your walls from splashing and water damage. Plus, the included 3 1/2" drain basket keeps your drain clog-free. This unit comes with a 1 1/2" IPS drain connection. For safety, the outer edge of the sink bowl is curled under to eliminate any sharp edges.

Kit Includes:

- 24" x 17 1/2" hand sink
- Wall-mounted faucet
- Single pedal knee valve
- Knee valve bracket and hardware
