Notes & Details

Whether you're serving up a delicious cocktail or a refreshing soda, ensure you have a steady supply of cold beverages at your bar thanks to this Regency 18" x 48" underbar ice bin. The 15 3/16" x 46" interior bowl holds ice, while two plastic bottle holders with removable dividers let you simultaneously chill your most popular liquors and mixers. A 1" I.D. brass drain pipe with 1 1/4" connection and 3" tailpiece safely drains melted ice water from the unit so you're only left with solid pieces.

This Regency ice bin is constructed of 20 gauge, type 304 stainless steel and features poly foam insulation to help keep the bin's contents cooler longer. The included sliding lid provides further cold retention and protects ice from dirt and other contaminants. This underbar ice bin stands on four galvanized legs with adjustable plastic bullet feet for stability. It also boasts a backsplash to help keep your walls and floors dry. Thanks to this unit's versatility, it's easy to store and chill everything you need to create the perfect gin and tonic, whiskey ginger, cranberry vodka, and other popular drinks at your busy bar, nightclub, or restaurant.
