Notes & Details

This Regency replacement leg allows you to easily replace the worn or damaged component on Regency work tables with galvanized legs! Measuring 28" long, this 18 gauge galvanized steel leg provides your unit with a solid, reliable foundation to rest upon so you always have somewhere to craft signature foods or store prep tools and other supplies. It is designed to pair with 5" Regency casters in order to achieve standard working height. It also installs using a simple set screw so setup is quick and easy.
