Type	Mixer Tables
Undershelf Construction	Stainless Steel
Usage	Standard Duty

Notes & Details

Support your mixer or a wide variety of other kitchen equipment with the Regency 24" x 24" all stainless steel mixer table! This mixer table features a durable 16-gauge type 304 stainless steel top that's easy to keep clean, and it's capable of supporting up to 700 lb. of evenly distributed weight. Its stainless steel legs provide the long-lasting reliability you need for your business, and the adjustable bullet feet allow you to level your stand on uneven floors for peace of mind.

Thanks to its raised edges, this mixer table ensures your equipment won't slide off the side of the table when in use. The 18-gauge type 430 stainless steel undershelf offers additional storage possibilities, as well. It can hold up to 540 lb. so you can keep additional equipment and supplies close at hand.
