Notes & Details

Ideal for setting up a washing, rinsing, and sanitizing station, this Regency 45" 16-gauge stainless steel three compartment commercial sink with stainless steel legs and cross bracing is the perfect addition to your establishment. It's constructed from high-quality, 16-gauge type 304 stainless steel, making it more corrosion-resistant and durable than other sinks made from thinner, 18-gauge material. Boasting a compact design, this sink is perfect for locations with limited space. Plus, it features rolled edges and a 7 1/4" backsplash, which helps prevent splashes and overflow.

To ensure proper drainage, this sink comes with (3) 3 1/2" basket drains with strainers. These drains catch food debris, preventing the drains from clogging. Additionally, this sink sits on (4) 20 1/2" stainless steel legs, which feature adjustable stainless steel bullet feet to accommodate uneven floors. The 18-gauge stainless steel legs provide your sink with a solid, reliable foundation to rest upon, so you always have somewhere to wash, rinse, and sanitize dirty dishes. The cross bracings provide extra stability, all while prolonging the life of your sink.

Kit Includes:

- (1) Three compartment sink
- (2) Cross braces
- (3) Basket drains with strainers
- (4) Stainless steel legs
