Notes & Details

This stainless steel commercial 18" x 30" work table with undershelf is constructed from durable and easy-to-clean 18-gauge type 304 series stainless steel. This durable stainless steel work table offers additional space for preparation or storage, providing superior corrosion resistance for a long service life.

This work table's adjustable undershelf is constructed from 18-gauge galvanized steel and is secured with set screws for easy assembly. With this undershelf, you'll have the storage space you need to store items like cutting boards and small counter equipment within easy reach.

The legs of this work table are 1 5/8" in diameter and are made of tubular galvanized steel. They are equipped with adjustable plastic bullet feet that help level the table on uneven floors. This work table's durable top can hold approximately 350 lb. of evenly distributed weight, and the undershelf can hold approximately 260 lb.
