# Notes & Details

600TS24605

Utilize the space in your kitchen with this dependable 24" x 60" 16-gauge, 304-series stainless steel commercial work table from Regency Tables and Sinks. This unit not only provides plenty of room on its work surface, but also offers an 18-gauge, 430-series stainless steel undershelf to supply much needed space for food preparation, storing supplies, and other tasks within your business.

This Regency work table is both easy to clean and easy to maintain thanks to its durable, corrossion resistant material. Plus, it is mounted on (4) sturdy, 15/8" stainless steel legs with adjustable, metal, bullet feet for ample support. The top shelf boasts a weight capacity of approximately 580 lb., while the undershelf supports 360 lb.! This amount of strength is extremely valuable in a restaurant or bar.
