Notes & Details

This Regency 30" x 30" stainless steel commercial open base work table is a versatile addition to your kitchen. Constructed from durable, easy-to-clean 16-gauge, 304-series stainless steel, this work table offers superior corrosion resistance and durability compared to other work tables made of 18-gauge stainless steel. Due to its all-stainless steel construction, it's built to withstand the daily tasks in your restaurant, cafe, or bakery. Great for rolling out dough or chopping fruits and vegetables, you can provide your staff with additional work space to complete tasks efficiently. To protect your walls during food prep, this work table features a 4" backsplash with a 1" return.

With the ability to hold up to 550 lb. of evenly distributed weight and an open base that allows for additional storage, you can make the most of the space in your kitchen. Plus, a height of 34" allows you to can create a comfortable work station for your employees. For increased stability, this work table includes 1 1/4" diameter stainless steel cross bracing and (4) 1 5/8" diameter stainless steel legs. Adjustable, stainless steel bullet feet allow you set up your table to best fit your needs, while its open base makes it easy to store large ingredient bins or add custom shelving underneath.
