| Type | Bar Sinks |
| Water Inlet Size | 1/2 Inches |

Notes & Details

Encourage good hygiene and proper sanitation habits in your bar or restaurant with this Regency 1 bowl underbar hand sink! This sink features a 3" high backsplash that helps protect walls and contain splashes for a cleaner, safer work environment. This sink offers a durable 18-gauge type 304 stainless steel construction along its top, bowl, and back. For maximum stability, it has galvanized steel legs with plastic bullet feet. A 2" drain (1 1/2" IPS) with drain basket is included.

This sink includes a chrome-plated brass faucet with 1/2" NPS inlets and a 6" swing spout that releases water through a 2 GPM aerator, creating a soft flow pattern with minimal splashing. The faucet has a 140-degree Fahrenheit maximum water temperature. The included faucet uses ceramic cartridges, which provide a much lower fail rate than the compression cartridges widely used in the industry. In this design, 2 ceramic discs fit together to create a watertight seal when closed. This removes the need for a rubber seat washer, which is one of the most frequently replaced parts on a faucet. The sturdy lever handle design makes it easy to turn the water flow off and on.

Kit Includes:

- 1 bowl underbar hand sink - 14 1/2" x 18 3/4"
- Wall mount faucet with 6" swing spout
