Notes & Details

This 2 bowl underbar sink comes standard with two 13" drainboards for efficient washing and drying of your barware. They feature a grooved surface to help hold onto your barware as the excess water drains downward into the sink. The deep 10" sink bowls accommodate all types of barware, including pitchers and tall glasses. As an added convenience, it features a 3" high backsplash to keep your bar better protected.

This sink offers a durable 18-gauge type 304 stainless steel construction along its top, bowl, and back, in addition to a 20-gauge type 304 stainless steel apron. For maximum stability, it has 16-gauge galvanized steel legs with plastic bullet feet. This sink's faucet includes (2) 1/2" NPS inlets and boasts a 10" swing spout that releases water through a 2 GPM aerator, creating a soft flow pattern with minimal splashing. This unit features (2) 2" drains with drain baskets included.
