Notes & Details

Great for hand washing, this Regency 14" x 16" x 10" stainless steel two compartment drop-in sink comes with an 8" swing faucet. This two compartment unit is made up of durable 16-gauge, 304 series stainless steel that is built to last. It has 1 1/2" IPS drain connections, and it comes with (2) 3 1/2" drain baskets to conveniently catch food debris to prevent clogging the drains. This sink is a must-have addition to any restaurant, bar, or break room. This sink is long-lasting and versatile, making foodservice simple.

This kit includes a compatible, deck-mounted faucet with an 8" swing spout. The faucet boasts a chrome-plated brass construction and offers a 2 GPM flow rate. It has 4" adjustable centers, 1/2" NPS inlets, and leak-resistant, quarter-turn ceramic cartridges with check valves. The unit offers a temperature rating of 40 - 140 degrees Fahrenheit. With both hot and cold water capabilities, this drop-in sink kit is a practical solution in a variety of settings.
