Notes & Details

Outfit your facility with a long-lasting sink that will meet your needs with this Regency 115" stainless steel three compartment sink with 2 drainboards. This durable sink is made with high-quality, welded 16 gauge type 304 stainless steel for durability, corrosion resistance, and long-lasting use. This sink features a 34" work surface height and 2 sturdy 24" drainboards, allowing you to easily wash and dry dishes and utensils in one convenient location. It's also dipped a minimum of 1/4" to facilitate better drainage. This item's 1 5/8" diameter stainless steel legs with stainless steel cross bracing, sockets, and bullet feet provide added stability.

This sink features (3) 14" deep bowls that each include (1) 3 1/2" drain basket strainer to catch food debris, which prevents the drain from clogging, and a 1 1/2" IPS drain connection. For easy cleaning, the compartments have rounded corners so you can rinse and wipe down the sink. This sink also includes a 1 1/2" raised, rolled edge that raises to 2" on the front and both sides, as well as a 9 3/4" tall backsplash to contain splashes and overflow. The sink is designed with (2) 1 1/8" diameter holes punched on 8" centers to accommodate 1 faucet (sold separately).
