Notes & Details

Create easy access to your most popular liquors with this Regency 24" stainless steel double tier speed rail! Use this rail in your front-of-house bar to keep bottles organized and easily accessible during happy hour. This speed rail can between ten and twelve 1 liter bottles at a time.

The 21 gauge stainless steel construction adds durability, in addition to a polished, professional look. Additionally, it is easy to clean when not in use. Integrated mounting holes make it a breeze to set this speed rail up for use (mounting hardware is sold separately). A double tier design helps outfit your operation with unmistakable practicality and style that will serve as an essential part of any drink-serving application.
