Notes & Details

In any bar or fast-paced high volume operation, speed and consistency are of the utmost importance. This Regency 42" stainless steel double tier speed rail is built to withstand nearly any environment and help your staff keep up with customers' demands in a reliable and exceedingly efficient manner. This speed rail can hold up to twenty 1 liter bottles at a time.

21 gauge stainless steel construction adds durability, in addition to a polished, professional look. Additionally, it is easy to clean when not in use. Integrated mounting holes are placed at 38 3/4" from center to center. A double tier design helps outfit your operation with unmistakable practicality and style that will serve as an essential part of any drink-serving application.

Mounting hardware is sold separately.
