Notes & Details

With both ample work space as well as storage space, this Regency 24" x 36" 16 gauge type 304 stainless steel enclosed base table will ensure your establishment is efficient and organized! A large 24" x 36" worktop will give you plenty of room to operate and is made of durable 16 gauge type 304 stainless steel. Plus, with a body made of 18 gauge type 430 stainless steel, this enclosed base table offers reliable durability in your kitchen.

The adjustable / removable midshelf allows you to maximize the storage space and fit both large as well as small items. A 6" backsplash prevents any messes from getting onto the wall behind the unit, helping make cleanup easier. The open front design provides quick identification for quicker and easier access to supplies. Bullet style feet easily adjust up and down so that your base can be leveled on uneven surfaces.
