Notes & Details

Whether you're serving up a delicious cocktail or a refreshing soda, ensure you have a steady supply of cold beverages at your bar thanks to this Regency 18" x 24" underbar ice bin with 7 circuit cold plate! This convenient unit not only holds plenty of ice but also boasts a post-mix cold plate with stainless steel, beverage-grade tubing circuits that allow you to run up to 7 soda lines through the bin to chill them before serving. The 15" x 22" interior bowl holds 51 lb. of ice, while two plastic bottle holders with removable dividers let you simultaneously chill your most popular liquors and mixers.

This Regency ice bin is constructed of 20-gauge, type 304 stainless steel and features a 5/8" I.D. drain as well as poly foam insulation to help keep the bin's contents cooler longer. It stands on four galvanized legs with adjustable plastic bullet feet for stability. It also boasts a backsplash to help keep your walls and floors dry. Thanks to this unit's versatility, it's easy to store and chill everything you need to create the perfect gin and tonic, whiskey ginger, cranberry vodka, and other popular drinks at your busy bar, nightclub, or restaurant.
