Notes & Details

This Regency 24" x 24" stainless steel equipment stand is built to stand up to daily use in even the busiest commercial kitchen. Great for holding countertop equipment, this stand provides additional space in your kitchen to maintain a clean and organized environment. Featuring a durable 16-gauge, 304 stainless steel top that can support up to 700 lb. of evenly distributed weight, it's perfect for heavy mixers, slicers, countertop ranges, and more!

Plus, an 18-gauge type 430 stainless steel undershelf with hat channel provides additional room for supplies and can hold 540 lb. A 2" high edging comes standard to help contain equipment and contents for added safety. For added stability, the feet are adjustable so you can easily compensate for slightly uneven or slanted floors.
