Notes & Details

Utilize the space in your kitchen with this dependable Regency work table. This unit includes both an ample work surface to prep food and an adjustable undershelf to store tools and supplies of varying sizes. It boasts a durable 16-gauge, type 304 stainless steel top and an 18-gauge, type 430 stainless steel undershelf. This makes it easy to clean and maintain and provides optimal durability and corrosion resistance.

This work table has (6) 1 5/8" tubular stainless steel legs with adjustable metal bullet feet for leveling on uneven surfaces. Plus, a height of 34" allows you to create a comfortable work station for your employees. Its top shelf supports up to 760 lb. while its undershelf supports up to 450 lb. to store heavy ingredients and supplies. With impressive strength, this work table is a great choice for commercial kitchens in bars, restaurants, and cafes.
