

Relation Today

An Old Friend is New Again

Relation has represented modern tableware of the highest quality since 1988, to a greater degree than any other porcelain. In the changing "Zeitgeist" of a new century, *Relation Today* from TAFELSTERN presents new, beautifully shaped bowls and cups, which are a perfect match to the formal clarity of the plates and saucers.

This shape is an ideal collection to marry with *Charisma*. In addition, *Relation Today's* cups, bowls, and hollowware complete *Avantgarde* and *Pure Style*. Regardless of how you present individual pieces from different ranges—the combination is always optically perfect. Let yourself be inspired.
