Sleek, modern, and made to stand out, these Geo Riser Sets bring height and visual intrigue to any buffet display. Available in a variety of shapes and finished in versatile black or shimmering gold, each set creates a layered presentation with a clean, contemporary edge.

Put a hex on your display with this enchanting hexagon-shaped riser set. Designed to elevate your culinary creations to new heights—literally—this trio of golden, stainless steel risers brings a touch of magic to any buffet or display. Whether you're stacking sliders or showcasing sweets, these risers create a captivating visual feast that draws all eyes. Plus, they nest together like a perfect little spell for easy, space-saving storage. Elevate your presentation game and let your food shine with a bit of geometric flair! Pair with our round and square geo riser sets for a display that's truly spellbinding.
