BULK

RHINO 3 COLUMN

STICKER/TATTOO MACHINE

The Rhino Sticker and Tattoo Vending Machine is a reliable, traditional-style bulk vending solution built for durability, security, and high-volume sales. Featuring a rugged all-metal body and our heavy-duty Monster cast iron stand, this machine is designed for long-term performance in busy locations.

Perfect for vending stickers or temporary tattoos, this machine offers strong visual merchandising and dependable coin operation to help maximize revenue.

High-Capacity 3-Column Design

- 3 separate vending columns
- Holds approximately 150 items per column
- 450 total capacity
