BULK

RHINO PRO

METAL GUMBALL & CANDY BULK VENDING

Our Rhino Vending Pro Series machines are built for commercial use. All machines are metal-bodied and provide the most secure and long-lasting operation.

The Rhino Pro vending machine holds about 12-14 lbs of small candy and 460 1-inch gumballs or toy capsules/bouncy balls.

Dimensions

- Dimensions: 7"w x 7"d x 17.5"h
