

REFRESHMENT REDEFINED

Rosseto®'s cold beverage and juice dispensers are made of the best materials in the industry.

When we set out to design our line of beverage dispensers the requirements were obvious. They have to be sturdy enough to stand up to your toughest guests (and staff), yet stunning enough to impress your most discerning. The result became a range of modern dispensers that can be mixed and matched with our complete collection of risers and surfaces. Create endless combinations of custom looks, as unique as your events with stainless steel, bamboo, acrylic or black matte in a variety of shapes and sizes. Drip trays are not included.
