

6FT RECYCLED PLASTIC BENCH WITH 3 HEAVY-DUTY LEGS

Built from 100% recycled plastic with UV protection, this bench handles sun, rain, and frost without cracking, rotting, or splintering. It looks like natural wood but never needs sanding, sealing, or staining. The 2" thick pre-drilled slats make assembly quick and effortless, and all mounting hardware is included in the packaging. Sturdy, comfortable, and virtually maintenance-free, it's ideal for parks, schools, campgrounds, and warehouse patios.

FEATURES:

- > 100% recycled UV-protected plastic
- > Weather-resistant for all seasons
- > Natural wood texture available in multiple colors
- > Pre-drilled for quick and easy assembly
- > Heavy-duty 2" thick planks provide sturdy, stable support that withstands regular use without bending
- > Ergonomic backrest and seat designed for all-day comfort
