

Bottle/Can Openers

SBO154

BOTTLE OPENER, LARGE FLAT, STAINLESS STEEL
4-1/4" L

Pack: 12/432 Cu. Ft.: 0.45 Weight: 41 lbs

These bottle and can openers range from slim and sleek to rustic and trendy designs. Find the perfect option to up efficiency and add to your decor.

This mini flat stainless steel bottle opener is just 4-1/4″ L, making it a low-profile and convenient piece to keep in your bartender's pocket and have at the ready. And don't let the small, flat design fool you – this piece is made from stainless steel and has the durability necessary to open even the most stubborn bottles and cans. Stainless steel is also dishwasher-safe, ramping up the functionality of this handy little opener even more. Pair it with more of our stainless steel bar accessories for glittering accents throughout your entire venue.
