Donna Senior is enhanced with discrete functional aids – like vibrant high-contrast colors, deep wells and concave rims – that make dining easier for people with reduced vision, mobility and motor skills without calling attention. Based on the refined aesthetic of our popular Donna pattern.

Featuring four vibrant colors, optional lids, double-handled mugs and more, Donna Senior provides a versatile range of options for any tabletop.

These attractive options help accommodate the diverse needs of your diners while creating a stylish, modern look.
