

Scensibles® Disposal Bag Dispensers

Key Features

Openly talking about periods can be difficult, but discussing menstrual product waste is even harder –until now. Finally, a system for safe and sanitary disposal of tampons and pads. Scensibles® personal disposal bags should be dispensed inside each restroom stall to help maintain clean-restroom standards. These durable plastic dispensers, available in a variety of colors, hold refill boxes containing 50 bags per box, they are easy to install and refill and can be used in stalls with existing waste receptacles. The lightly scented Scensibles bags reduce or eliminate unpleasant odors while keeping offensive waste out of view. In addition, they help to minimize exposure to possible blood-borne pathogens and harmful germs while ensuring safe and hygienic handling for custodial staff. The Scensibles® system can be used alone, or to complement existing stall waste receptacles
