Notes & Details

Keep your beautifully baked breads, savory steamed vegetables, or freshly fried sides fresh and ready to serve at your buffet, banquet hall, or cafeteria with the ServIt BLS-7 suspension bar 7 bulb heat lamp kit! This heat lamp is quite versatile thanks to its suspended design, so you can keep the food warm and ready for service without using up vital countertop space. When the food is in view, you can keep an eye on the intensity of the heat reaching your food to prevent over-drying.

This warmer lamp kit is made of heavy-duty powder-coated aluminum to withstand the daily demands of your busy fast food restaurant, concession stand, or snack bar. The lamp features 4 easy-to-use on / off switches, for added independent control over multiple dishes at once. The kit includes a 4 bulb lamp and a 3 bulb lamp for a total of 7 clear, 250W bulbs, and 2 separate cord and plug sets. This food warmer requires a 120V electrical connection and has an output of 1750W.
